LED Maps

Action - Simple process if "YOU" want to design a map (DIY)

Nearly everybody can gain access to 'Google Maps' - so, the following actions are based on Google Maps

- Action 1 = Open 'Google Maps' - then, enter either your town name or postcode
- Action 2 = Now, Zoom-In - and - Zoom-out until you reach your wanted map
- Action 3 = Now, decide if you want a 'Street Map' - or - A Satellite Map'
- Action 4 = This is done by clicking the bottom left hand corner button
- Action 5 = Now, take a screen print & Save it to your computer
- Action 6 = Now, go to page 2 of these instructions

Example - Satellite Map

Reveals a view of 'Chester'

North - reveals = 'Moston'

South - reveals = 'Huntington'

West - reveals = 'Sandycroft'

East - reveals = 'Great Barrow'

Example - Street Map

Reveals a view of 'Chester'

North - reveals = 'Moston'

South - reveals = 'Huntington'

West - reveals = 'Sandycroft'

East - reveals = 'Great Barrow'

4x Pages - We require page 4 to be completed

Example - Satellite Map

Larger Scale

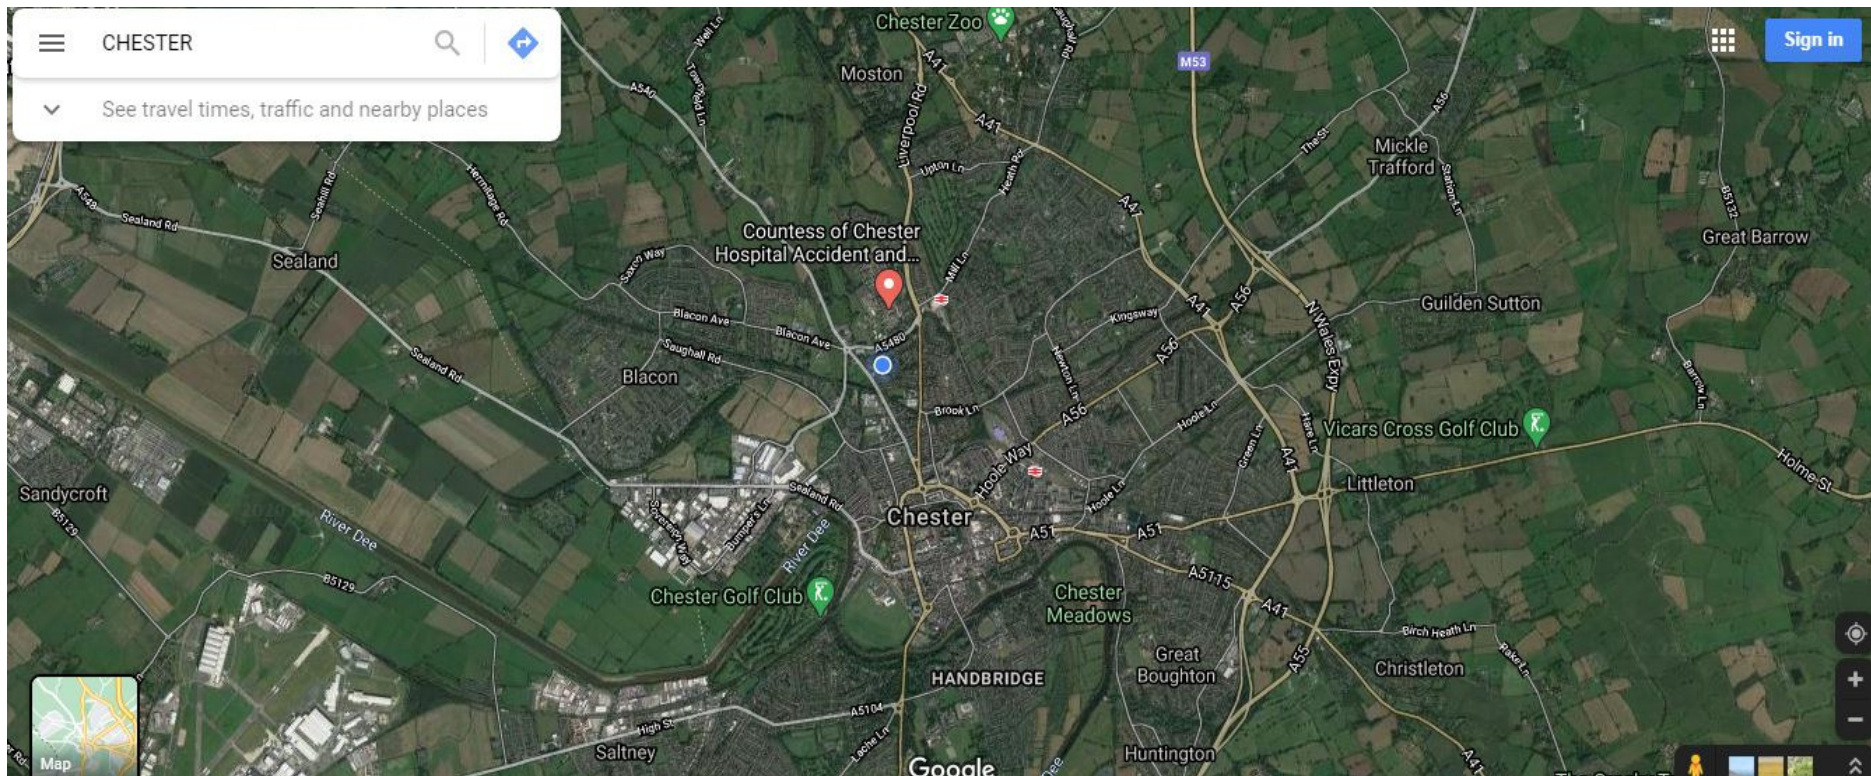

Reveals a view of 'Chester'

North - reveals = 'Moston'

South - reveals = 'Huntington'

West - reveals = 'Sandycroft'

East - reveals = 'Great Barrow'

4x Pages - We require page 4 to be completed

Example - Street Map

Larger Scale

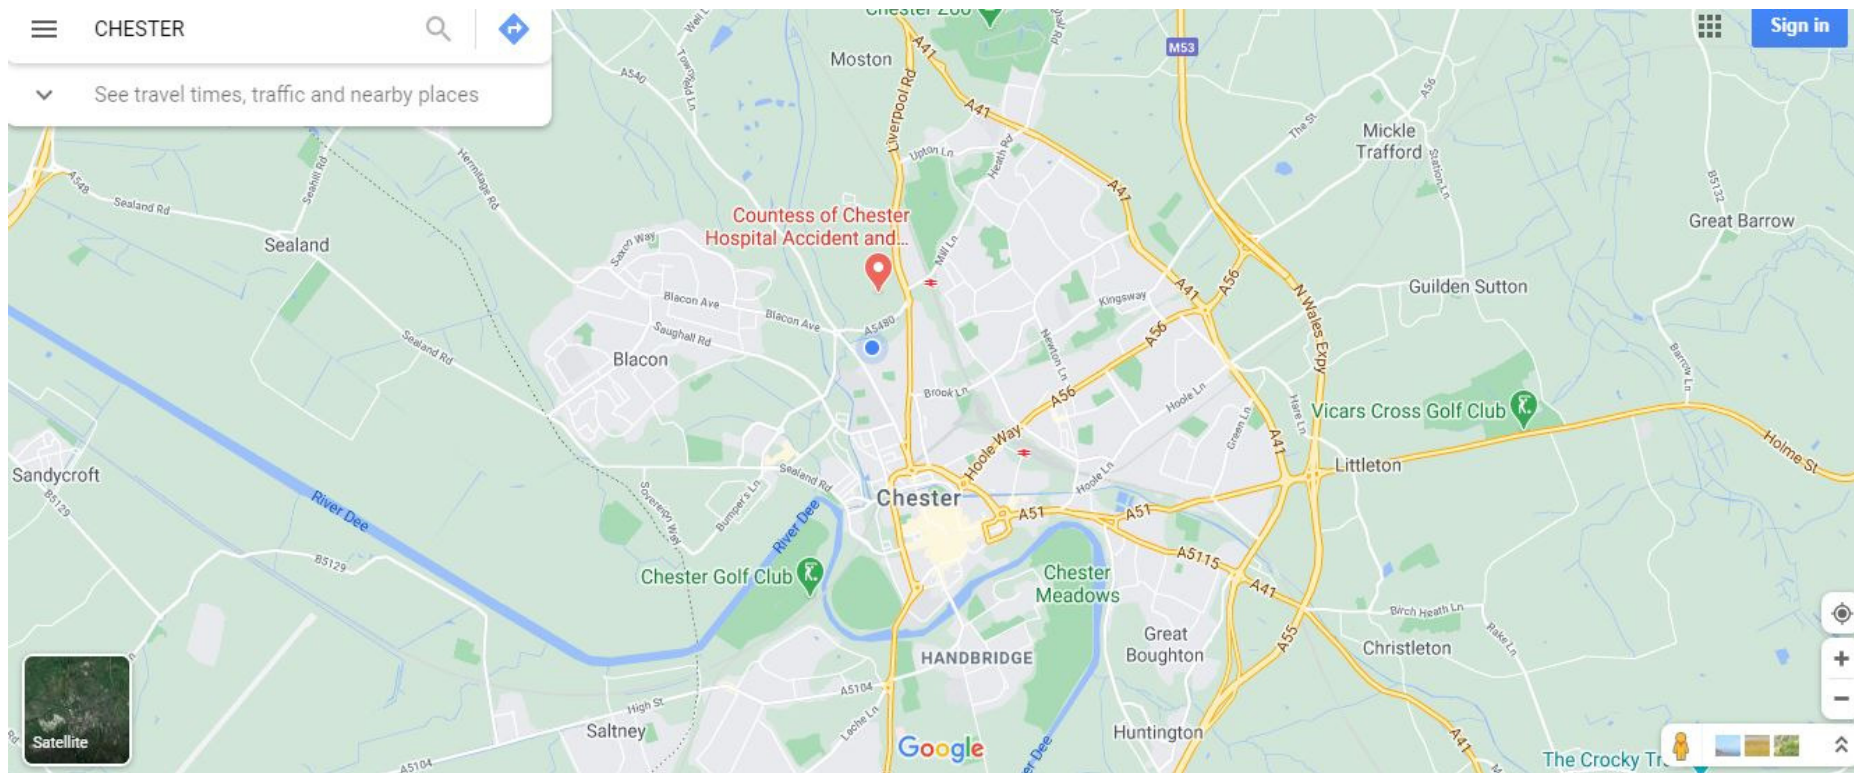

Reveals a view of 'Chester'

North - reveals = 'Moston'

South - reveals = 'Huntington'

West - reveals = 'Sandycroft'

East - reveals = 'Great Barrow'
