Website Ref - **ROD-3-Way-6mm**  
 Crossbar Rod Connector

**Example - Of what is possible:**

Reveals - 2x A4P Hook-On's on 3x rows

Reveals Website Ref: **RTB****Smaller Section:**

Suspended from the 'Ceiling'

**Larger Section:**

Holds rod to the 'Floor'

Reveals Website Ref: **R1500**

Rods support on Ceiling with 'RTB'

Creates a 1500mm length

If longer length is required, order 2x units, to create 3000mm length

Then, cut-off any unwanted excess

Reveals Website Ref: **R1000**

These create the Crossbars @ 1000mm

If a longer length is required, order 1500mm Rods

By the way....to connect them...

You will also need 2x Rod-3-Way-6mm's

Reveals Website Ref: **Rod-3-Way-6mm**

These connect the crossbar rod to the ceiling to floor rods

They simply screw to create the fitting, using grub screws

Reveals Website Ref: **HOOK20**

These suspend on the crossbars

They allow you to add A4P Property Details

They also come in 'Portrait' A5 + A4 + A3 - Website Ref: **HOOK20**They also come in 'Landscape' A5 + A4 + A3 - Website Ref: **HOOK21**We also supply Portrait Leaflet Hook-On's - Website Ref: **HOOK22**
