**Easy Assembly Instructions**

**Post & Base & Power**

- Step 1 = **Attach the Post to the Base**  
(Simple Nut & Bolt assembly)
- Step 2 = **Now attach the first arm**
- Step 3 = **Now attach remaining arms**
- Step 4 = **Insert cable into arm(s)**
- Step 5 = **Insert cable into post**
- Step 6 = **Connect cable(s) into Transformer**  
(Transformer is within the base)

**LED Panel(s)**

- Step 7 = **Attach the LED Panel (loosely)**
- Step 8 = **Using a spirit level - level the LED**
- Step 9 = **Secure the LED - Do not over tighten!**
- Step 10 = **If you have a double-sided display, now connect the opposite LED - This allows an even balance of the display, as you are assembling**
- Step 11 = **Now keep repeating steps 7 to step 10 until you have all of the display fully assembled**
- Step 12 = **Now you are ready to turn on the power - If display fails to light up - turn the power off - then recheck all power connectors**
- Step 12 = **Now you are ready to turn on the power - If display still fails to light up - call us for assistance - 01244 470903**
- Step 13 = **Documents - these are easily add, just pull the magnetic cover forward (gently) and add / amend your documents - takes seconds!**
